## Sign Up for Latest Updates from Remy

Visit [www.remyautomotive.com](http://www.remyautomotive.com) to Subscribe

**MCHENRY, Ill. – April 3, 2018** – Auto care industry professionals can stay up-to-date on the latest new product coverage and technical service information from Remy® Power Products when they subscribe to receive email bulletins at [www.remyautomotive.com](http://www.remyautomotive.com).

“Signing up for our email bulletins is a simple way to stay informed about new Remy part numbers and technical information as it becomes available, including diagnostic and troubleshooting procedures,” said Kristin Grons, marketing manager for Remy Power Products. “Subscribing is easy and only takes a few seconds on the homepage of the new Remy website.”

With over a century of OE experience, the Remy brand is known for benchmark-quality new and remanufactured starters and alternators, unparalleled coverage, responsive customer support and world-class technical training. A new website was introduced in January 2018 as part of the Remy brand’s “Quality Starts Here” initiative.

### **About Remy Power Products**

Remy Power Products brings a century of OE experience to the automotive aftermarket, delivering industry-leading starter and alternator coverage for domestic and import passenger vehicles and light-duty trucks. Automotive service professionals trust Remy for benchmark-quality rotating electrics, responsive support and world-class technical training. For more information, visit [www.remyautomotive.com](http://www.remyautomotive.com).
